Josh:

I like the agenda.

One suggestion though. See if Sergio can give an update as to the number of homeless in SP. I'm wondering if he can get numbers together on the number of homeless contacts the officers have made from January-May of this year and compare that with the same time period from 2016. I heard Sergio say that homeless numbers are up in LA but isn't that really a perspective glimpse of the obvious. What I'd like to hear, and maybe some of the other SPSG/SOBO members would like to hear, are some numbers.

Thanks

Bob
